### PRESENTER

**LUCIANA RASPAIL**  
CCISM

With 10 years of experience at the CCISM in business support and a degree in business management, Luciana Raspail is the Administrative and Business Support Director at the CCISM. Often considered as an expert in business creation, Ms. Raspail is also the coordinator for the business creation support program. She strongly believes in the entrepreneurial potential of the territory and her experience shows that the success of a new business depends on the foundation put in place in the first phases.
